DDC Family of Companies

Since 2004, Diné Development Corporation (DDC) has been committed to providing government agencies and commercial organizations with high-quality IT, professional, and environmental services. Wholly owned by the Navajo Nation, we push the boundaries of growth to continually improve upon our record of extraordinary service. We strive to deliver exceptional solutions while empowering the Navajo Nation and advancing communities across the world. Seventh Emergence brings leading capabilities and expertise spanning the DDC family of companies to every project. As a subsidiary of DDC, we are able to leverage comprehensive infrastructure and resources unprecedented among small businesses. This support includes program management, contracts, recruiting, HR, finance, and security departments. Seventh Emergence offers the flexibility of a small company with the qualifications of a large corporation.
