LEGEND

CONSTRUCTION AND PAINTING INC.

Company Overview

Our business philosophy combines easy moods and strict management practices to help deliver quality projects while establishing a construction partner for long lasting continual relationships. We bring fairness and honesty to the table as a professional construction company.

We are a tight group of construction personnel that have worked together for over a decade. All of the employees are part of the "family" and portray a sense of ownership with all our projects.

Safety, Compliance and Customer Service are our top priorities.

Company Certifications

- SBA 8(a)
- Small Disadvantaged Business
- State of California Small Business

Individual Certifications

- Executives, Managers, QC, and Superintendents all hold the USACE Construction Quality Management for Contractors
- Executives, Managers, QC, Superintendents and Foremen all hold 30-hour OSHA Certification
- All operators hold applicable equipment Certifications (IE: fork lift, boom lifts, etc.)
